

button_process

```
graph LR; A[button_process] --> B[uart_sendbyte]; B --> C[uart_udre_int_en];
```

A flowchart illustrating a sequence of three functions. The first function, 'button_process', is highlighted with a gray background. An arrow points from it to the second function, 'uart_sendbyte'. Another arrow points from 'uart_sendbyte' to the third function, 'uart_udre_int_en'.

uart_sendbyte

uart_udre_int_en
